Objective

To work on the post production of films, television, interactive media and video games in order to utilize and expand my artistic and technical skills in content creation.

Work Experience

Motion Graphics Animator – DynaTek Media 02/06 – present
Responsible for HD motion graphics animation, 3D modeling and animation, and compositing using Maya, Adobe CS3 software and Apple Final Cut Studio. Also responsible for video editing, encoding and delivery of web and DVD content.

Legislative Broadcast Intern – Arizona State Legislature 01/05 – 5/05
Responsible for controlling and switching live daily broadcasts using remote-controlled cameras. Also created segments summarizing legislature for state-wide broadcasting on *Legislative Weekly* which involved producing, conducting and editing interviews with state lawmakers.

Technical Skills

- Motion graphics creation, video editing and DVD authoring using After Effects, Photoshop, Illustrator, Premiere Pro, Flash, Encore DVD, Apple Final Cut Studio and Motion
- Low and high resolution modeling and animation using Maya and ZBrush
- Matchmoving using Maya Live and Boujou
- Rotoscoping and compositing using After Effects
- Production work with HD, SD and 16mm film, lighting and audio equipment
- Created video game levels using the Unreal Engine and Neverwinter Nights
- Familiar with traditional drawing techniques and human anatomy

Education

University of Arizona 05/2005
Bachelor's of Arts in Media Arts with a Minor in Business Administration

Activities

University of Arizona Blue Chip Program 09/99 – 05/05
Developed leadership, diversity awareness, communication and team-working skills

First Assistant Director – “Clowning Around” 08/04 – 12/04
Optimized set production, shooting schedules and researched stop-motion animation techniques.

Student Intern - KUAT Multimedia 09/04 – 12/04
Studio and field production, camera work and post production for local broadcast

Volunteer – UATV's “Daily Dose” 09/04 – 12/04
Used Linear and Non-Linear editing, switcher boards, and cameras for a daily campus television show

Treasurer - Media Arts Production Club 09/03 – 12/04
Responsible for club funds and equipment. Also assisted production of several shorts
